What is this resource and how do I use it?

Encourage your child to practise their times tables with this fun bingo game. Print the boards and cards and cut them out. Take it in turns to pick a card and read out the number. If the number is an answer to a question on a player's board, the player crosses the question off. The first player to cross off all the questions on their board wins.

What skills does this practise?

- Multiplication
- Recall
- Mathematical Fluency
- Problem Solving

Further Activity Ideas and Suggestions

Once you've tried this multiplication game, why not try another times tables activity? We've got plenty to choose from over on the Parents' Hub. Have fun with this 9 Times Table Multiplication and Division Board Game or pit your wits against this 12 Times Table Worksheet.

Mixed Times Tables Bingo KS2

Encourage your child to practise their times tables in a fun and engaging way with this Mixed Times Table Bingo game.

You will need:

- bingo boards (included with this resource)
- bingo number cards (included with this resource)
- two to six players
- pen or pencil
- scissors

Instructions:

1. Carefully, cut out the bingo boards and number cards.
2. If possible, laminate the boards and cards and use with a dry wipe pen for repeated use.
3. Give each player a board.
4. Place the number cards face down on the table and shuffle them.
5. Players take it in turns to pick up a card and read out the number on it.
6. If the number on the card is an answer to a question on a player's board, the player crosses the question on their board off.
7. Place the number cards to one side once they've been read out.
8. The first player to cross off all the questions on their bingo board wins the game.
9. For an extra challenge, play with two bingo boards per person if there are fewer players.
