Year 4 Maths Open Week

Mr. A Markham-Jones

20.1.2023

Bingo

Choose 6 of these numbers and write them on your whiteboard

48	44	77	27	45	144
36	24	35	33	48	108

24	54	64	77	60	40
22	63	72	56	15	32
40	24	63	28	81	18
21	54	35	132	32	108

Activity 1 – Tarsia puzzles mixed multiplication division
Activity 2 – TTRS Soundchecks
Activity 3 – Board games (2 different games)
Activity 4 – Top trumps (2 different
Activity 5 – Partner race in pairs/roll and colour
Activity 6 – Loop cards (mixed times tables)
Activity 7 – Maths riddles
Activity 8 – card games

Instructions:

The triangles are all muddled up! Match the questions to the answers.

When they're all matched, place them on the template.

Times tables investigation

Using your knowledge of the 9 times table, can you work out the value or each letter?

Which letter can you solve first and why?

Which letter can you solve next?

Each letter is a different digit 0-9

D X F = BG	A =
