Newsletter 6

26th November 2021

At St Bernadette's we are fully committed to safeguarding our children. We expect all staff, parents and visitors to share this commitment.

School Fund

Thank you to those parents that have paid their £10 contribution to school fund towards the cost of school trips. Your child will take part in at least one trip each academic year and the cost of each trip exceeds the £10 contribution, when entrance fees and transport are taken into account. This, therefore, provides very good value for money. If you have yet to make payment of this, please could you login to <https://www.parentpay.com/> as soon as possible. Please note that this can be paid in instalments if required.

Read-a-thon

As you are aware this half term we are holding a read-a-thon. We are trying to encourage pupils to read as many books as possible, whilst also hoping to raise money to buy new books for our school library. We ask that you sponsor your child's reading by asking friends and family to pledge a small donation. Pupils can choose whatever they want to read - from comics to classics - it's all about reading for fun. Every penny raised will be put towards buying new reading material for our library. We ask that donations are returned to school on or before Monday 13th December.

Person of the Fortnight

Every two weeks we will be sharing information about a range of different important figures: scientists, athletes, musicians, etc. to help increase the children's aspirations, general knowledge and cultural capital. This week that person is Albert Einstein.

Little Albert was a child of few words, but many ideas. At first, he didn't quite fit in at school. But he soon fell in love with physics and maths, and wrote his first scientific paper while he was still a teen. Albert devoted his life to explaining the relationship between space and time and laid the foundations for much of the technology and invention of the 21st century.

St Andrew's Day

Tuesday 30th November is the feast day for St Andrew. All Children in school will be invited to wear blue or white on this day to mark this important national Saint. Thank you.

Pope Francis' monthly prayer intention

The Holy Father asks for our prayers for a specific intention each month. You are invited to answer the Pope's request and to join with many people worldwide in praying for this intention each month. The intention for the month of December is Catechists.
Let us pray for the catechists, summoned to announce the Word of God: may they be its witnesses, with courage and creativity and in the power of the Holy Spirit.

Inclement Weather

If there is bad weather, and in the unlikely event that school needs to close, please listen to the local radio stations. The school texting service, school website and the school Twitter feed will also be used to inform parents. If you do not receive a text by 8am, then you can assume that school will be open as normal. If a blanket closure is announced by Birmingham City Council then we will close. Please note: School will complete a risk assessment of the site while making this decision, it is up to you as parents to risk assess your journey to school to ensure the children arrive safely.

Christmas Liturgies

With the number of Covid cases high nationally and locally in Birmingham, we have reviewed our risk assessments to ensure that Covid-safety measures will be in place during Christmas liturgies.

These include:

- Additional liturgies will take place so that the number of adults are reduced in the school hall.
- Places will be limited to one person per family.
- The wearing of face masks will be required for all liturgies.
- The areas being used will be well ventilated.

Scooters and Bikes

Please can I remind parents and children that when on the school premises scooters and bikes are not to be ridden. For the safety of the children, we request that both adults and children walk with their scooter/ bike until they leave the premises. This will hopefully minimise any potential accidents that could occur. Thank you for your co-operation in this matter.

Applications for Reception September 2022

Parents who have a child ready to start school in September 2022 can apply for a place for their child via Birmingham City Council's website.

https://www.birmingham.gov.uk/info/20119/school_admissions/1786/apply_for_reception_primary_school

The closing date for applications is 15th January 2022.

For places at St Bernadette's an additional form will need to be completed (available from the school office) and we will also need to see your child's birth certificate and baptismal certificate. If you have any queries or require assistance, please call the school office on 0121 783 7232.

COVID-19

Unfortunately, we are seeing an increase in the number of people testing positive for COVID-19 in the area and therefore request that all visitors to the school site wear a face covering to ensure the safety of the staff and pupils in school.

If your child is feeling unwell and you are unsure as to whether to send them to school, as you may think they have Covid, please refer to the following symptoms:

- a high temperature above 37.8c – this means feeling hot to touch on the chest or back (you do not need to measure the temperature)
- a new, continuous cough – this means coughing a lot for more than an hour, or 3 or more coughing episodes in 24 hours
- a loss or change to your sense of smell or taste – this means not being able to smell or taste anything, or things smell or taste different to normal.

Please ensure that you **do not send your child to school if they have COVID-19 symptoms.**

Please ensure that as a family, you are testing twice weekly using LFD tests to limit possible transmission by people that may be asymptomatic. LFD test kits can be ordered online from <https://www.gov.uk/order-coronavirus-rapid-lateral-flow-tests>

Other ways to get rapid lateral flow tests

You might be able to:

- collect tests from a pharmacy
- collect tests from a community centre, such as a library
- get a test at a site

Singing and Dancing Our Praises

Mrs Docker would like to give a special mention to our younger pupils who attend the after school Irish Dancing Club. The dancing teacher stopped her on Tuesday evening to say what a wonderful school St Bernadette's is. She said the pupils in the after-school club were exceptional. They are so well behaved, listen so carefully and are already showing great talent. Thank you to these pupils- you are true ambassadors!

Children's Christmas Dinner

On Wednesday 15th December the cook in school will be preparing a special Christmas meal. The dinner will consist of roast turkey with pigs in blankets or the vegetarian option: Quorn roast with veggie pigs in blankets. This will be served with roast potatoes, seasonal vegetables, sage and onion stuffing and Yorkshire puddings. There is also the option of a cheese sandwich. Dessert will be either Ice Cream Roll, Christmas Cracknell or Mince Pie and Custard. The cost of the meal will be £2.10 for Nursery and £2.40 for main school, unless your child is entitled to free school meals (or in Reception, Year 1 or Year 2 where they are entitled to the Universal Free School Meal).

Please complete the form sent via text message, whether your child will be having their own packed lunch on the day or having the Christmas Dinner. If your child has a packed lunch but would like the Christmas dinner please also log onto your Parent Pay account and pay for one meal, this will then be allocated on the day. It is important that this form is completed so that the correct amount of produce can be ordered. Unfortunately, if you do not complete the form then your child will be unable to have a Christmas dinner on the day.

Natasha's Law requires full labelling of ingredients on all prepacked food. Please make sure you familiarise yourself with the lunch options and the potential allergens before making your choice. The codes are as follows (W) WHEAT, (E) EGG, (F) FISH, (M) MILK. Thank you.

Advent

Advent begins this Sunday. The word Advent means 'coming' and it is the period before Christmas, about four weeks before Christmas Day. It is celebrated by most Christian Churches, as well as some other Christian communities.

It is a time for Christians to prepare themselves for two different things: the celebration of the Nativity of Christ at Christmas and for the Second Coming of Jesus, when he shall rule over all the Earth in peace. Some people use it as a time of fasting, study, meditation and prayer.

During Advent we light candles on our wreath to remind us that Jesus is the light of the world. The smoke that goes up from the flame represents our prayers going up to heaven. Even the heat that comes from the candle reminds us of the warmth that we feel when we know the love of God and the love of family and friends.

**Jesus, your love is an all-encompassing flame.
May we be born with that same love so that others
Will feel the warmth of your presence.
Amen**
